Ms. Wrenn is a teacher that surpasses her established duties many times over. She is a person, not just a teacher, who is actively involved with school activities and with her students on both a professional and personal basis. She is currently a part of the math department and undertook the job of cheerleader sponsor. She has made Valley and all its Vikings a vital part of her life. Many students are aware that Ms. Wrenn is a special person and for this reason the yearbook staff has chosen to dedicate the Saga to Donna. Thank you, for being YOU!

There have been many improvements made in the school appearance. The restrooms, classrooms and the gym were repainted. The math department was renovated and new drinking fountains were put in all the buildings. There have also been many changes in the educational part of Valley as well. The basic programs have been expanded and the Career Guidance Program has reached more students this year.

The biggest change has been in the students' attitudes towards their school. Students have been more involved with the physical appearance of the school. "The best I've seen," commented Vice-Principal, Harold Cheves. Many clubs have helped clean up the campus. New trees and shrubs were planted. Students haven't only wanted some improvement but they've been willing to make the changes. School attendance has also improved.

The Special Education Department made a few changes. A new testing lab was set up this year. Many new teachers were added to the staff in the Special Education Department.

An air-conditioning unit, a new heating system, and a fine arts center are some improvement plans for the future. "It's a pleasure for me to work at Valley when I see all the students' pride and involvement," stated Mr. Cheves.

Counselors, Nurses Provide Needed Health Services

The Counseling Department started off a great year with the development of group counseling. This program was dedicated to students with special need and problems. Each group consisted of four to ten students who were grouped according to similar problems. Students chose students for the program. Many times, an area psychologist would come to the sessions in order to act as a liason.

This program came about through the group effort of all counselors in the department. The basic format was the K 12 Guidance Format. The counselors concentrated on three major domains; Educational, Social, and Life Planning. This unique program proved, once again, that the department is a vital and active part of VHS.

Special Programs Expand

Special Programs devleoped a lot throughout the year. There were many new methods of teaching introduced along with many new teachers. These teachers demonstrated and used these methods to benefit the student in need. A lot of time and effort went into developing and perfecting the department. Many of the special programs' teachers feel that their program is one of the best.

Faculty Educates Students in All Aspects of Business

The business Education Department is set up to provide students with the skills needed for their future. Whether the students plan to attend college or pursue fulltime employment, these skills can help. Courses such as typing, cashiering, and accounting can be used in the future no matter what the student decides to do. All the courses offer good work experience programs which can be used in the future.

Math Department; Organized And Excellerated

The Math Department had a terrific, but hectic year under the leadership of Phyllis Metzler. More and more courses were offered to help all students. Mrs. Metzler and her co-workers were kept busy trying to improve the methods of teaching math.

A new room was added on in the department which made everything more organized. Organization and excelleration seemed to be the key words in the Math Department.

The Social Studies department is one of the most popular because of the subject matter studied in each of the classes. People have always been a source of fascination and the study of these subjects have given students a new insight into themselves as well as other people.

Dolly Juarez headed this department and had a very challenging year both as department head and Staters sponsor. Many Vikings were able to gain a wealth of knowledge in any of the classes offered by this very important department.

Students Display Artistic Talent

The Fine Arts Department included such programs as: Beginning Design, Musical Theatrical Production, Guitar, Stage Band, and Chorus. Valley's Basic Art classes gave the students the understanding of the elements and principles of art. The band proved to be a unique musical experience for many Valley students who participated in parades, marching contest, assemblies, and festivals.

The Chorus also participated in many out-of-school activities and never failed to brighten assemblies with their singing.

The Fine Arts Department is very popular for Valley students.

Home Ec. Dept. Sponsors Bazaar

Jeanne Dabney headed the Home Economics Department and successfully sponsored the HERO club. Home Economics is a department set up to instruct students, both males and females, about the arts associated with homemakers and crafts involved with the home. Many of the classes prepare students for such jobs as bakers, decorators, homemakers, and arts and crafts. The biggest function prepared by this department was the Annual Christmas Bazaar. During the showing, students and teachers were able to purchase foods and crafts prepared by the students in these classes. Each year, this bazaar has been a popular and successful fund raiser and this year proved to be as lucrative.

Industrial Arts

The Industrial Arts Department offered a variety of classes to students who were interested in the fields of woods and metals. Many Vikings were able to work on automobile engines, and work on other projects involving small construction projects. Joe Liebert, department head, offered courses that met the special interests of the students. Drafting was another popular course of studies. Cafeteria Staff Services Vikings

Our taste buds were once again treated to delicious and tantalizing meals prepared daily by our cafeteria staff. Jean Lundy, along with her co-workers, made sure that all meals served were well-balanced, nutritious, and hot. Teachers, as well as students, took advantage of the daily menus or combo line that was set up as an alternative to the daily meal offered. The Competent Cafeteria Staff serviced hundreds of students daily for both breakfast and lunch and throughout the course of the year served thousands of meals. Once again, our staff was appreciated by all hungry Vikings.

Custodian Staff

Cleaning lockers, bathrooms, polishing floors, and keeping our campus looking its best was the continual job of the custodians. Joe Cuellar, head custodian, oversaw many projects throughout the year and took pride in the job he and his man were able to do. The workers worked closely with teachers and Mr. Cheves in fulfilling any requests that were issued. The job of custodian is almost always taken for granted, but we here at Valley extend our thanks for a clean campus.

The varsity football team had a disappointing season this year posting a record of three wins against seven losses. One factor that may have caused their faulty season was the fact that many players were lost due to injuries. Quarterback Harvey Nix was lost for most of the season due to a knee injury he suffered in practice, and back up quarterback Joe Coleman was lost for a few games due to a shoulder injury sustained in the game against Rio Grande. Other players whose playing time was affected due to injuries were Randy Casaus, Dale Vallo, and frequently injured James De la Fuente.

VARSITY FOOTBALL

When the varsity football team lost both quarterbacks Harvey Nix and Joe Coleman the team turned to Patrick Goodyear to lead the team.

Two outstanding players on the varsity football team were quarterback Harvey Nix and tailback Robert "Bob-o" Orona. Harvey Nix received the Tribune Player of the Week for the first week of the 1981 football season. He received this award for his outstanding passing in Valley's first game against Sandia. Robert Orona received the Coca Cola player of the week award for his outstanding work and skill on both offense and defense.

JUNIOR VARSITY FOOTBALL

The Junior Varsity football team headed by Coach Victor Smith had a disappointing season this year. They didn't have the greatest season this year but the Norsemen showed great pride and stamina. The Junior Varsity practiced all summer to get ready for their season. All of the teams hard work and dedication has helped to get the Junior Varsity ready for next years varsity season.

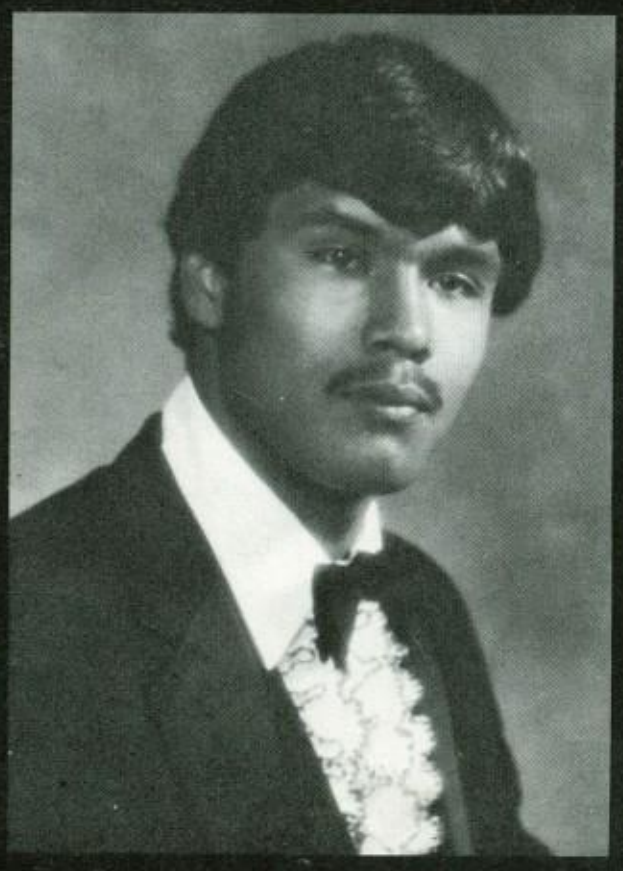
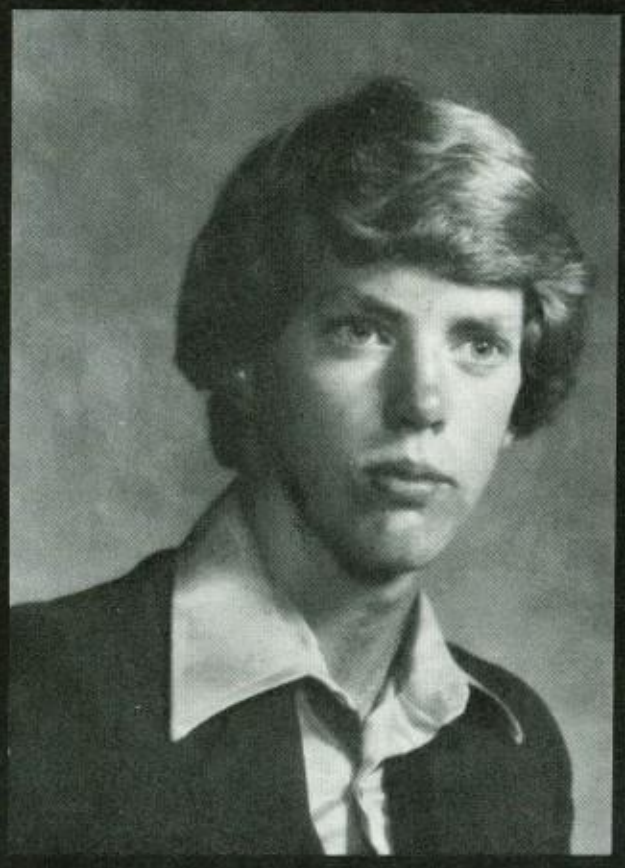
DeLaFuente, Nix, Orona Honored for Individual Achievement



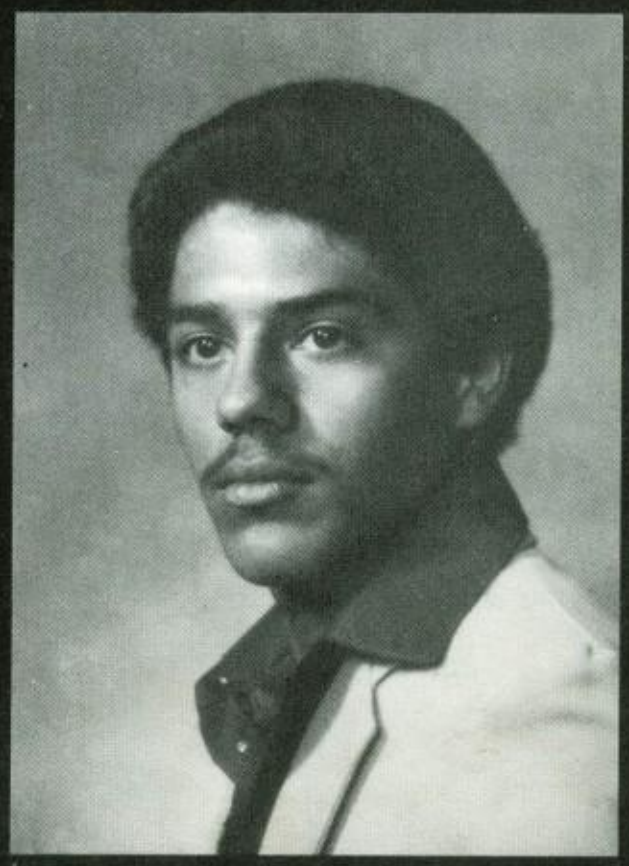
James DeLaFuente

"Football is a life giving experience . . . you learn." This was James DeLaFuente's replay to the question "How do you feel about football?" This past year James was honored and given the priviledge to play in the North-South all-star game for the most outstanding players in the state of New Mexico. James was Valley's only four year letterman this past season. He played on both the offensive and defensive teams. In the four years James has been playing for Valley's varsity, his playing time has been stunted due to frequent injuries.



Harvey Nix

Tribune Player of the Week was an honor that was bestowed on only one VHS player this year: Harvey Nix was this player. Only through hard work and determination can a player receive this honor. Harvey was no exception to this rule. He received the award for his outstanding passing in Valley's first season game against Sandia. Many times Harvey threw his arm out while practicing and gained perfection in his passing game. The work that he has put into his passing game has finally paid off.



Robert Orona

The most valuable player for this year's varsity football team was Robert Orona. Robert played many positions and hardly had any rest making the transitions from his offensive to his defensive positions. The positions he played included: punter, place kicker, tailback, defensive back, kick returner, and punt returner. Robert was named to the district first team for defense, and to the district second team for offense. He also received the APS-Coca Cola Player of the Week Award.

Younger But Better

The Girls Soccer team started off the year with a new coach, Mrs. Pat Williams. The team consisted of mainly freshman and sophomores. Mrs. Williams really worked the girls on their cooperation, sportsmenship, and self-respect. The team also improved their skills, which Mrs. Williams thinks will pay off next year. The team contained hard workers and first-class players.

Pride, dedication, school spirit and a lot of hard work all go into a team. Cross country is no exception. Although it is a team sport, individuals must strive to finish the three mile race. Cross country required a lot of stamina as well as mental concentration. Everyone on the team ran five to eight miles a day.

This year Valley finished fifth in a field of twelve tough teams. The boys' team was in a rebuilding season. The girls' team also had a good season. They finished in the top ten percent of all their meets. "I'm really proud of these girls. They're all tough competitiors," said Coach Morris.

The Viking volleyball team this year was very young. They only had two seniors on the team, Carla Gandara, and Sue McCormick. Besides the two seniors, only one other girl had any varsity experience, junior Debbie Mata. The team ended up the year with a 7 and 7 record with a loss to Del Norte in the district tournament. Valley was honored by having senior Carla Gandara named to the 2AAAA all district team. This was a good way for Carla to end her high school career here at Valley as she has played for three years here at Valley. All in all the girls worked very hard to represent Valley, and we thank them.

Both the junior varsity and the c-team volleyball teams had successful seasons this year. They were coached by two experienced coaches; The junior varsity by Autumn Ross and the c-team by Margaret Lucero. Both of these coaches have had a lot of volleyball experience. The coaches worked very hard this year preparing the two teams for the next level of competition. The team members also worked very hard getting ready to represent Valley for the next two or three years.

The Valley High basketball team was led by seven seniors this year. They had worked for four years to gain the respect of other teams through-out the city. The coaching staff this year was led by Phil Ewing. The coaches strive to teach more than the fundamental basketball skills. They tried to build character in the players and they said citizenship, respect, and responsibility are all part of being a good ball player. Coach Ewing was quoted as saying "This basketball season has been one of the most gratifying coaching experiences I have had as head coach here at Valley High School."

Junior Varsity Vies for City Title

The Junior Varsity only had eight players on the team, but they played like they had ten. The season got off to a good start with a win against Highland, but a loss against Los Alamos slowed down the pace. The team was coached by Mike Saavedra. Coach Mike has a winning tradition here at Valley. This year's team has had two winning seasons their past two years. They took district both years. The students wish you good luck again.

Girls Varsity Ranked 5th

At the start of the season the varsity team was ranked fifth in the state. Under the guidance of coach Charles Gibbs, the team posted an excellent record throughout the season.

Four year letterwoman, Mindy Sherred exhibited her expertice at shooting. The team passing of seniors Gail Sandoval and Leslie Archibeck was a major contribution to the teams success. Early in the season many of the final scores of the girls varsity showed the superiority with the ability to overcome any foe.

Enthusiasm Starts A Winning Season

Valley Swim Team started the year with enthusiasm but lacked important practice time. The team had to share the pool with two other teams. Despite the inconvenience, Coach Martha Eubank and Team Captain, Karen Goodrich and Eddie Chavez, lead the team to victory.

The team has increased in size and ability. The dedication, determination, self-discipline, and strenuous practice of the team paid-off with a winning season.

Softball Team Prepares For Tough Competition

The Varsity softball team started practice early in February. Cynthia Quintana, Dobres Guzman, and Sonya Garcia are the three returning lettermen which gave the team some experience for the competitive season. "I feel we can have a very good team, if the girls just learn to play as a team," stated the coach Yvonne Estrada. Dolores Guzman was the only senior member on the team, and it is her first year. Dolores is a catcher and an outfielder for the team.

Junior Varsity was led by a new coach, Dean Voge. JV put effort into every game. Both teams looked at the season with enthusiasm.

Golf On the Upswing!

Golf is turning out to be a popular sport here at V.H.S. It is a skill that necessitates a good grip as well as an even swing. This years boy's team has only two seniors returning John Perner the captain and David Greenspan. John Perner has done some traveling with the Amateur Golf team during the summer. Miss Carney's girls golf team has no seniors but does have some strong junior girls. Miss Carney believes that this is a building year—so look out next years' team will be really good.

Tennis Teams "Love" All!

This year's boys team will be trying to win the state championships. It consists of four senior players and seven underclassmen. Coach Duncan says he should have a strong team. This years girl's team has many former players returning as well as many freshmen. The girl's team is being coached by Mr. Duncan's wife Lou Duncan.

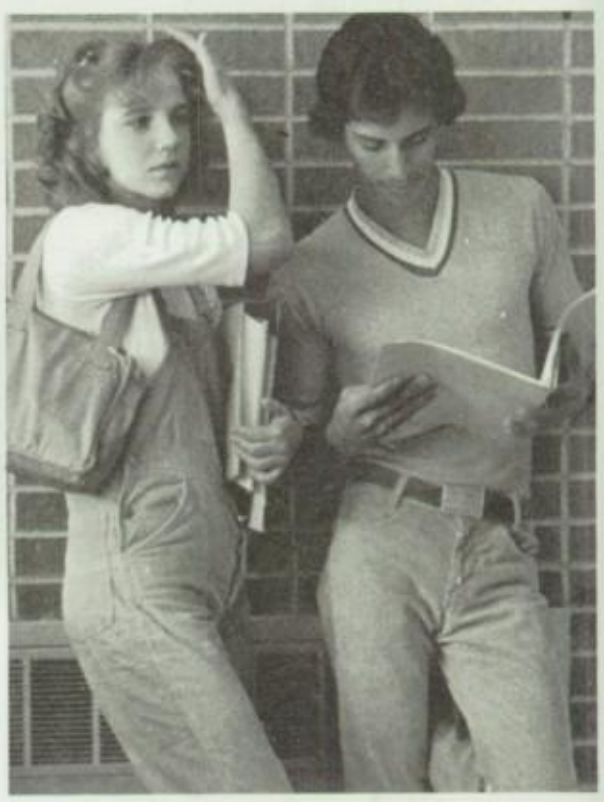
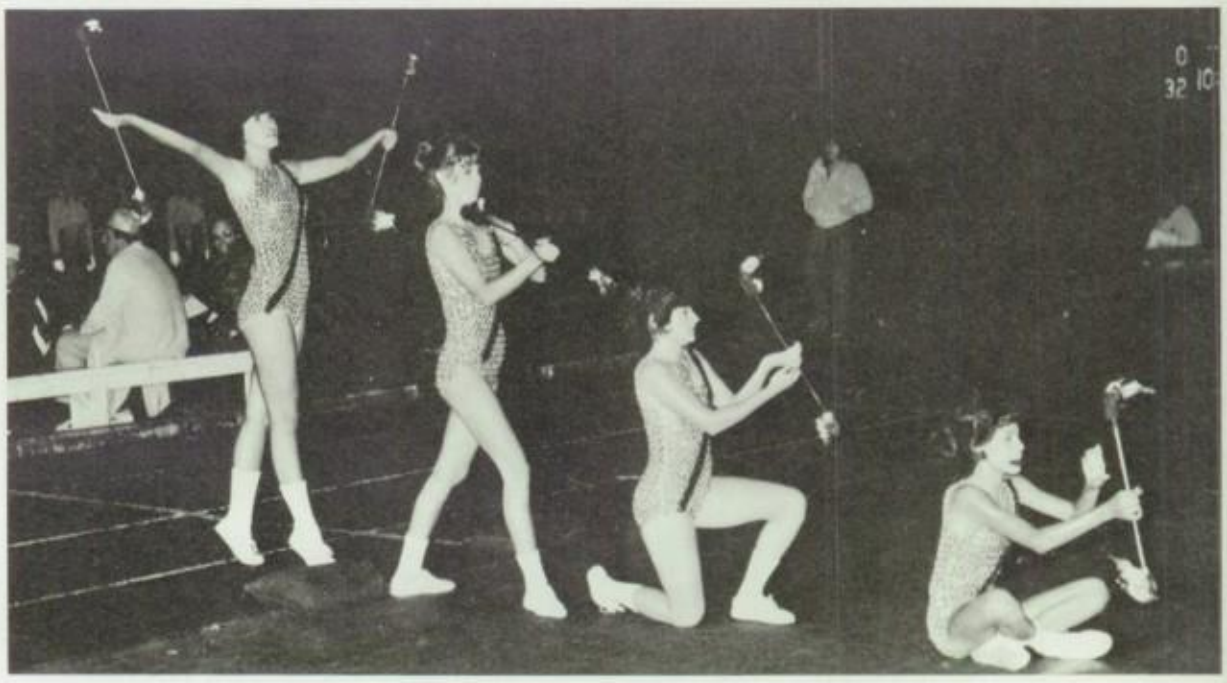
GROWING IN FRIENDSHIP

STUDENT LIFE





Summer

Student Council Workshop, Girls and Boys state, Yearbook workshop and Basketball Camp were many of the activities that Vikings participated in during the summer.

The Wrecking Crew worked up quite a sweat during the practice drills.

The Varsity 8 went to a four day long clinic and won many ribbons as well as the spirit stick once.

The Student Council Workshop was held at Portales for one week. Mr. Vannoy and twenty four students attended the workshop.

Girls and Boys State was again held in Roswell at the New Mexico Military Institute. Six girls went to state these girls include: Ellen Argyres, Leslie Archibeck, Renee Duran, Laura Gomez, Darla Henderson, and Margaret Lopez.

Desi Abeyta, Ed Avila, Dan Eshner, Mike Harris, Warren Hunt, Kevin Martin, John Perner, and Ray Rodarte represented Valley at Boys State.

The Yearbook Workshop and the Basketball camp were held at Fort Louis College in Durango.

The Vikettes went to a Summer Clinic for one week at the UNM Camp, sponsored by NCA. They were the only Drill Team to win the Spirit Pom every single night. They were awarded it permanently. Head Vikette Linda Hernandez made National Superstar Team.

The Summer of 1981 will not be forgotten by many Vikings.

One of the many activities was riding on the Silverton train.

As August came to an end, it was back to school for students. Seniors looked forward to their last year, while freshmen did not know what to expect.

During the summer, several changes came to Valley. The gym was re-painted, and so were many of the classrooms. Valley got a new vice-principal, Ms. Peggy Piper, and several new faculty members. Big Barn registration was held for seniors and juniors on August 20 and August 21 for Sophomores. Computer Registration was used for freshmen this year.

September Renews

September began a very busy year for Vikings. Fall sports members commenced the year enthusiastically. The freshmen girls were chosen to lead the Oarsmen in cheering. Mr. Simpson, our new chorus teacher, helped the Vikings reveal their spirit when he led the student body in the "Fight Song" during the first assembly. Vikings demonstrated their concern for others by volunteering to work for the Jerry Lewis Muscular Dystrophy Labor Day Telethon. Many students enjoyed the first dance of the year sponsored by the Varsity 8. There was even more excitement when the Centennial State Fair rolled into town. For the first time in Valley history, students selected both the traditional Vi-Queen and a Vi-King. September was a month filled with activities and high spirited Vikings.

LESLIE ARCHIBECK REIGNS OVER "ICE CASTLES"

The Homecoming elections were changed due to the fact that seven boys decided to challenge the traditional all female role of Vi-Queen. After much debate, it was decided that a new title, Vi-King, would be awarded to the boy who received the most votes from the Student Body. There were many opinions stated about this new title, but in the end, the male students won the right to become part of the traditional Royal Court.

Student Council was responsible for the elaborate decorations and the theme which was "Ice Castles". Thousands of icicles and glittery decorations of all types were hung around the gym in a beautiful display of color and glamour. Duplications of the seating arrangements and two royal seats were set up for the King and Queen.

The tension could be felt in the gym as many of the students and guests awaited the news. Leslie Archibeck became the queen and Pat Reese was named as the first Vi-King in Valley history! They then settled down in their chairs and became the center of attention as their royal subjects entertained them and bestowed upon them many gifts.

Welcome Gordana!

September was a month of happenings, one of which was the arrival of Gordana Cavic from Belgrad, Yugoslavia. Gordana is our only exchange student this year and she is staying with sophomore Kelly Frazier.

Gordana's first impression of Valley was "surprise, great surprise," she said. In Yugoslavia the schools are very different. There are no classes with a mixture of levels in them. Also, at 16 students choose their career, and for the next two years they are assigned classes pertaining to their career. Gordana feels that the education she is getting here is ok, but the experience is invaluable.

October Brings Much Joy

2

With the coming of fall, we not only enjoyed our Homecoming but also Halloween. Students worked together to try and make this years Homecoming the best ever. Each class decorated a different section of the gym for the Homecoming assembly. The Homecoming this year was a special one. Vikings not only voted for a Vi-Queen but also a Vi-King, which was a first in Viking history. October proved to be an exciting month for all of Valley students.

In the month of November students showed their teachers how much they really care. Teacher appreciation week was filled with many surprises; including a potluck banquet for the teachers. November also provided an opportunity for parents to meet Valley's teachers during Open House. Thanksgiving brought many hungry Vikings to the cafeteria for Thanksgiving dinner. On Friday the 13th Valley had their last football game.

Student Council Has A Great Year

Student Council was very successful this year. As school started in August, Student Council had a grasp on the situation. They were well prepared. Because of the meetings during the summer, Student Council was ready for the upcoming problem of Homecoming being a month earlier. Through it all, Stu-
1 dent Council held together like a family.

Senior Senate Displays Outstanding Spirit

Looking back, we see all the things that made the class of '82 special. Our senior year was the gathering of old traditions and the addition of new ones. Valley was a unique school in that we had the opportunity to further our goals and still set higher ones. "We were like a family." stated Vanessa Abukusumo. Under the leadership of Teresa Griego, we made the senior year of the class of '82 the greatest! Although we had many bad times, we will always be overshadowed by the good things. As freshmen, we had no idea of what spirit was but by the time we reached our senior year we were leading the crowd. If nothing else, the seniors of '82 will always remember the spirit that saw us through all obstacles. We will remember those who led as well as those who sat on the side lines, and we will be able to say, "Yea—I was one of the Class of '82!"

Freshman Senate

The freshman Senate got off to a great start this past year. They elected officers early in the fall and went through an orientation process to learn how to conduct business. Because of transportation problems, they were allowed to meet during SSR. They were also active in many school functions such as car washes, bake sales, and the UMOC competition.

Drama Club

"The Drama Club provides an outlet for those students who are interested in participation in dramatic activities, including acting, costuming, set design and construction, lighting, make-up, etc." stated the new Drama Club sponsor Mr. Simpson. Mr. Simpson, being inexperienced in the Drama field, was chosen because of his strong will to build and strenghten the club. He soon proved to be excellent and popular in the Drama department.

SPEECH TEAM SPEAKS OUT

The Speech Team this year had co-sponsors Bonnie Craig and Bonnie Sheehan. Mrs. Sheehan, returning for her sixth year as sponsor, was joined this year by Mrs. Craig. Both are very pleased to work with such talented, hardworking students. The Valley Speech team has been working very hard since 1964 to earn the National Forensic League trophy. It represents the accumulated points of Valley speakers since the team's formation. This year they are proud to have won it.

Speech Team: 1—Max Aguilar, Debbie Bundy, Kevin Martin, Lupe Crespin, Shirin McArthur, Miguel Gomez, Cara McArthur, Leah Neel, Bonnie Sheehan, Pablo Soderstadt, Margaret Branda, Karen Moore, Richard Trott, Danielle Argiro, Laura Gomez, Alicia Gonzales Not pictured Chris Buehler 2—Sponsor Mrs. Sheehen talks to students. 3—Bonnie Craig, sponsor of speech team. 4—Max Aguilar, Debbie Bundy, Kevin Martin, Bonnie Sheehan, Leah Neel, Danielle Argiro, Miguel Gomez, Shirin McArthur 5—Debbie Bundy holds up trophy from tournament.

French Club Lots Of Fun

Mrs. Barton was the French Club sponsor for her sixth straight year. In order to join the club, you must have an interest in French or take French. Some field trips taken were to Glorietta in the Spring for a French Retreat, caroling in the Winter, and to French restaurants and movies. French Club is learning the culture and the people of France, while enjoying speaking French. Mrs. Barton said, "French Club is an outstanding group of students eager to learn about France and it's people. They are lots of fun."

The Viking Legend staff worked hard to provide Valley students with one of the best newspapers in the city. There were many jobs in the staff besides reporters. For instance, in order to support the newspaper, the advertising agents, Becky Guevara and Evette Seifert went to various businesses and asked them if they would take an ad in our newspaper. Reporting is another important job. The reporter must present the facts and try not to add his or her opinion unless the story is an editorial. The most difficult job is the editor. He must find stories for reporters, proofread and supervise the staff's work. This job was filled by a competant person, David Maestas.

Laurie Serves As OEA President

Two year sponsor Elena Tabet, conducted OEA Meetings once a month. Both boys and girls qualified for the club, but had to be members of either the Junior class (Junior OEI) or the Senior Class (Senior OEII). One of there fund raisers this year was the Skate-A-Thon for the Blind Athletes. They also sponsored the MORP dance. With money earned, OEA sponsored Homecoming Reception, State Competition and OEA Club. The members also hosted Regional Competition and a Faculty Coffee.

The members of DECA, or Distributive Education Clubs of America, were not only taught the inner functions of a business, but how to present themselves to the business people, and how to make others happy. The Junior members learned about the business world by working in the DECA snack-bar under Snack-bar Manager-Treasurer Peggy Martinez during A and B lunches and during basketball games. Senior members worked and learned at the same time what the business world is really like by working at business throughout the city.

The DECA club made a brighter Christmas for many families in Albuquerque by participating in the annual "Mountain of Food" canned food drive sponsored by the Coronado Shopping Merchants and placed third against the other DECA clubs.

Under the leadership of Cindy Garcia, President; Cathy Chavez, Vice-President; and Mr. Bill Robinson, Club Advisor, the club members were led to placing high in regional, state, and national conferences.

This years HERO class, Home Economics Related Occupations, was introduced to many valuable marketing trades. The students are taught how to bake and decorate cakes, create wreaths, candy and many different floral arrangements. Other than learning these skills, the students profit from their work. There are two classes offered, Applied Design I and Applied Design II. Both these classes are taught by Ms. Dabney.

Valley Band

The Valley High School Band was headed this past year by Mr. Kelly. The band performed halftime shows at all of our home football games and aroused the crowd while playing and making the games more exciting. A lot of hard work and time went into preparing for the Valley bands marching season. Many band members had to arrive at school by seven o'clock in the morning to practice marching before the football games. The Vikettes and Baton Twirlers began practicing since early last summer. The band also played at all of the home basketball games with the bands' baton twirlers performing at halftime. The band helped get the crowd going at the pep assemblies and livened up the crowd during timeouts in the tense moments of our home basketball games.

National Honor Society is an organization made up of almost thirty hard working seniors who have received the honor to be a part of the club. These students were chosen from a large number of applicants last spring. The main requirement was that they have and maintain a 3.5 grade point average. They were also voted on the basis of their leadership and interest in organizations at and away from school.

The clubs' biggest money raiser was Valley's most popular contest, UMOC. This year, as in the past years it was a tremendous success.

PEP SQUAD Adds Spirit To Games

1

2

Each year the Pep Squad add spirit and excitement to home basketball, football, and other games. This year was no exception. The Pep Squad makes noise even when the crowd is quiet and dead. They show their Viking spirit. That is why many people say, "We Love the Pep Squad." They again were sponsored by Ms. Joan Campisi, the school nurse. The Pep Squad is also known as the "Golden Vikings".

WAR GAMES Added to Club Section

The war games club was added to the club section in this years yearbook. Even though the club started last year, this is the first time it will appear in the Saga. The reason is because they started too late in the year. Wargamers use Dungeon Masters as one of their guides. They also use Greek Mythology in their game playing. Darell Yazza summed up war games when he said, "Live and conquer".

School spirit and enthusiasm were highly demonstrated this year by the "B" and "C" team cheerleaders. The "C" team cheerleaders, sponsored by Mrs. Davis, energized and encouraged their freshman class. The "B" team cheerleaders also showed a great deal of pride for their "Norsemen" Sponsored by Donna Wrenn, the "B" team cheerleaders had many fundraising events in order to support their teams as well as their class. The time, energy, and enthusiasm given by these 2 teams of cheerleaders is acknowledged and greatly appreciated.

GEE, I COULD

This year's varsity cheerleading staff proved to be an exceptional one. The 8 cheerleaders showed their spirit and pride for our Vikings throughout the year. Sponsored by Donna Wrenn, the 4 seniors and juniors worked very hard. Attending summer cheerleading clinic; raising money during school as well as the summer; and practicing every day are some of the ways these 8 girls proved their pride in Valley. Donna Wrenn is proud of these girls. "Their hard work and good attitudes have made them a group that I am proud of and the student body should be proud of as well." The student body appreciated and is very proud of "The Varsity 8" because of their hard work and strong support of our school.

The purpose of the VICA Club was to give students experience in the vocational field of careers. Students able to join this club had to be either seniors or juniors and have a job in the vocational area and work at least fifteen hours a week.

The club sponsored many fund raising activities, including bake sales, donut sales, and movies. These funds were used to support club functions such as breakfast meetings, field trips, and the Employer Employee Banquet held at the end of the year.

Students also competed among other clubs to compare wages earned by the students throughout the year. State and national competitions were also supported by the VHS VICA Club. Students were given problems or situations to work on in many different fields (cooking, electronics, engine repair, etc) and were then judged by business people who volunteered their time. Quality of work was the major area which the judges looked for in the competitions.

Russell Wade, ICT instructor, once again sponsored this highly successful club.

Valley Begins First Motorcycle Club

The VHS Motorcycle club had a very successful year. They sponsored motorcross races for three months. They exposed club members to motorcycle employment potential in the motorcycle industry, and they went on club rides. They were also New Mexico's first Motorcycle Club.

Raquetball Joins the Clubs

1

2

Raquetball is one of the newest clubs added to the club section. It began when many interested students signed up in the Activities Office. They raised money so they can have tournaments and give out trophies to the winners. It seems kind of silly hitting a ball against four walls to beat another player, but as Felicia Cobley said, "It is one thing to get you in shape and be fun at the same time." After a tournament, the individual is placed in a level according to his level of play. Coach Wade was the first sponsor of this new club added to the club section. "Welcome to the club."

Valley's orchestra under the direction of Mr. Sheinberg put forth a very productive year. The orchestra performed at several concerts throughout the year, they provided all kinds of musical entertainment for those who attended. Valley had four people who participated in the All-State Festival and some attended the Albuquerque Youth Symphony. Since Mr. Sheinberg came to Valley, the orchestra has improved tremendously. Besides teaching at Valley he also instructs orchestras at other High Schools around Albuquerque.

GROWING IN EDUCATION

CLASS HISTORY

Each class that has graduated from Valley has had something special to offer. The class of '82 is no different.

When we first came to Valley, we were a little scared not knowing what to expect from high school. With the guidance of Mrs. Elena Tabet, we elected Amy McMinn president, Joe Herrera vice-president, Carol Gore secretary, Marc McCann treasurer, and Mike Harris Student Council Rep. David Long, our UMOC candidate, raised $240 for our class. Leslie Archibeck was our Spirit Sweetheart Attendant.

Elections for sophomores were held in Spring '78. Elected to serve were: Joe Herrera president, Ray Rodarte vice-president, Kathy Garcia secretary, Paul Garcia treasurer and Corina Romero Student Council Rep. Again UMOC was the major goal of the sophomores. With Joe Herrera's ugly face, the Sophomores came in third place with a total of $783.96—a new class record. Leslie Archibeck was elected Spirit Sweetheart.

Our junior year was one of our busiest. Led by Ellen Argyres president, Kathy Garcia and Rene Duran co vice-presidents, Lydia Garcia secretary, Debbie Bundy treasurer and Susan Frauenglass Student Council Rep., the class of '82 worked hard to put on one of the best proms ever. UMOC was again another big project. With Robert Bob-O Orona as our candidate, the juniors raised a total of $484.97 and came in second place. Teresa Griego captured the title of Spirit Sweetheart. Five juniors were honored by being selected to Who's Who. These were Jon Montoya, Leslie Archibeck, Donald Venn, Warren Hunt and Dominic Yannoni.

Teresa Griego president, Robert Orona vice-president, Kathy Garcia secretary, Paul Garcia treasurer, Susan Frauenglass Student Council Rep., and Rene Duran Historian influenced us during our senior year. Homecoming took on a special meaning for us as we watched for the first time in Valley's history 6 boys run for Homecoming King. Pat Reese was crowned as King of Homecoming. Also, ten anxious girls watched as Leslie Archibeck was named Vi-Queen. Shaune Reese's ugly face represented our class in UMOC, and was supported by the entire class. Margaret Lopez was elected as Spirit Sweetheart Attendent.

Our senior boys proved once again to be athletic as Robert Orona and James De la Fuentes were chosen to play on the All-District team.

Early in January, we elected white and burgundy as our class colors, White Rose as our flower, and Goodbye to Romance by Ozzie Ozzborne as our class song. Dances, selling candy, and all money raising events came to an end as the time of graduation grew near. The time that we had been waiting for had finally come. Many differet feelings filled graduates-to-be, sad, happy and anxious, but that never-ending feeling of accomplishment and unity fills all.

Mrs. Elena Tabet was born and raised in Belen, New Mexico. She and her husband, Tom, worked for Senator Montoya in Washington during the Watergate years.

After working in Washington, the Tabets moved to Albuquerque where Tom began his law practice. Mrs. Tabet went back to college to earn a degree in education. She has been teaching for five years and has been at Valley for the last four.

Elena began sponsoring the seniors four years ago and said that sponsoring this class was worth it because of the people involved. Skiing and taking care of her two dogs, Sarah and Baya, are two of her many outside interests.

QUEEN

LESLIE ARCHIBECK

"Winning is an honor, it's fun and the experience is really exciting!"

Leslie was crowned as Homecoming Queen on Oct. 1. She was the first queen to share honors with a king. She stated that she was happy having a king because she thought that if boys were allowed to try out for queen, "Homecoming would be kind of a joke for the guys instead of something special." She went on to comment about her future plans by saying that, "I hope to attend college. Maybe out of state and pursue a career in business administration."

KING

PAT REESE

Pat Reese shared the royal honors with Leslie this year. He enjoys participating in soccer and track. "I run track because I like to run." He has been a part of the soccer team since it was implemented as part of the athletic program four years ago.

Pat plans to attend college in San Diego and also wishes to pursue his interest in soccer there.

When he was asked if he expected to be Vi-King, he smiled and replied, "I can't say yes, can I?" Pat ran for this honor because he felt Valley should have had a Vi-King a long time ago. "I'm very proud to be Valley's first Homecoming King. I feel it's a great honor."

GORDANA

Gordana Cavic, Valley's only foreign exchange student, travelled all the way from Belgrade, Yugoslavia to become a Viking. Gordana came to the US to learn more about the American language and the people of this country. She is able to speak English and took private lessons for five years.

The Belgrade schools differ in many ways from our own. For instance, a classroom is comprised of only 14 students who are all the same age. The teachers, not the students, change classes, and by the age of 16, most students have already made a career choice and begin studying for that particular career.

Gordana has made many friends while being at Valley. She stated that the students have been very friendly and helpful. We hope that your stay this year has been a rewarding and satisfying experience for you.

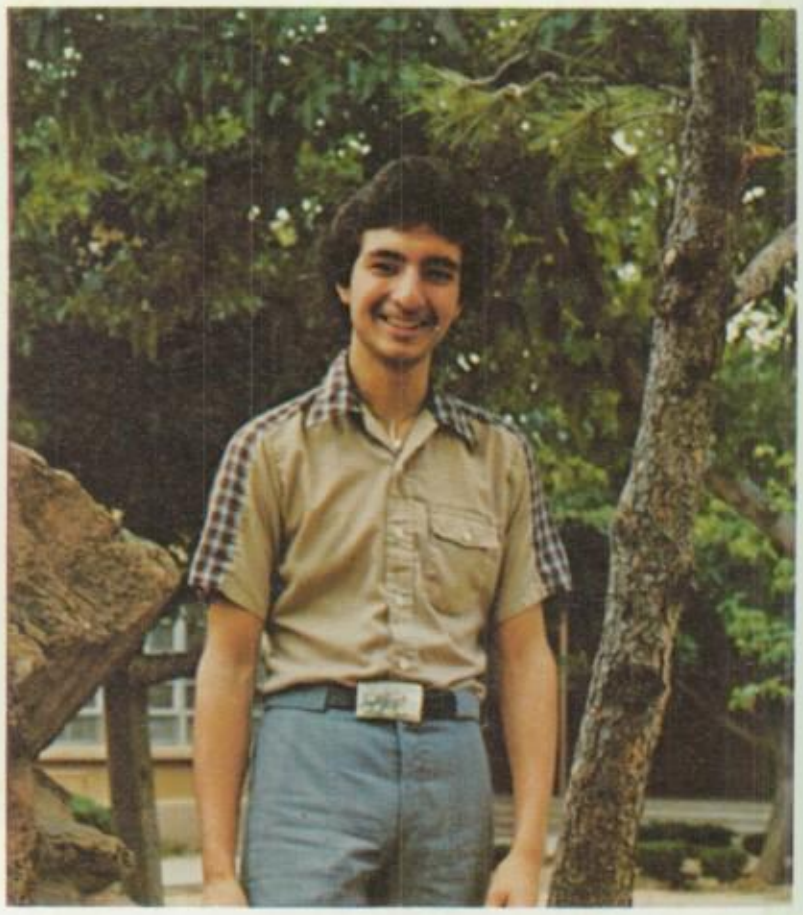
DAVID, PAUL SERVE AS EDITORS



Paul Garcia, who was on the Saga staff last year, became the new editor for '82. He was sent to a yearbook workshop in Durango, Colorado which helped him learn about all the responsibilities and work associated with the production of the annual. When asked what kind of job being editor was like, he replied, "I enjoyed it, it's really tough. You have to proofread everything and you get all the pressure."

Paul is interested in sports and photography and plans to go on to college and study civil engineering.

David, who worked hard to keep up his grades, plans to enter a career in journalism upon graduation.

Who's Who Recognizes Outstanding Students

This year, Who's Who was represented by a wide variety of students. They ranged from a Valley wrestler to the Student Body President. The Faculty helped in selecting these 20 students. In order to be nominated, they had to be outstanding in arts, leadership or academics. Throughout the years, these students have exhibited pride and spirit at Valley High. Faculty and student body appreciate their hard work and dedication.

Seniors include: Donna Montoya, Renee Duran, Ellen Argyres, Teresa Griego, Leslie Archibeck, Shirin McArthur, Paul Garcia, Ron Salazar, Kevin Martin, James De La Fuente, Robert Orona and Shawn Tuttle. WARREN A. SMART AWARDS

The winners of the Warren A. Smart Citizenship Award for last year were students who were involved in school activities as well as being good all around students. For the freshman class, Stephanie Marcelli fit the qualifications well. For the sophomores, her brother John Marcelli won. And for the juniors, Dominic Yannoni. These three students as well as the student body should be proud of these people.

Spring Means . .

There were many activities happening this Spring at Valley. Four swimmers, Dee Garcia, Matthew Griego, Buster Huddleston and Maria McKibbon qualified for state. The Girls Basketball team went to state for the third consecutive year. Mindy Sherred, Gail Sandoval, and Debbie Mata were selected to the All-District Team.

The boys Junior-Varsity Team captured the city title with only a few seconds left to go in over time.

Pasqual Orozco, Ricardo Abeyta took state honors with their wrestling abilities. James De La Fuente came in second in state.

Nostalgia week, sponsored by Student Council, and Twirp Week, sponsored by Senior Senate were a big success.

Suzie: Well I glad that I had I chance to meet a nice girl like you. I know at first I seemed stuck up by at least now you know it's because I was shy and not because I was stuckup or conceted! I know we're good friend now but we'll be better friends next year. I hope we can be friends throughout all the years to come. I hope you have a fun summer, because I know I will. Good luck with all the cuties over the summer, but don't do anything I would not do. A-F-A

God bless you!

LORI REIGNS OVER BALL

The 1981-1982 Military Ball was held at 8:30 p.m. on May 1st at the Hilton Hotel in the Cabaret Room. The cadets raised over $2,000 to finance the ball. Dunn's Dancing Machine was the band at the ball. The theme was "Nowhere To Go But Up", and the colors were—Blue and Gold. There were nine cadets nominated for Queen. Cadet Lieutenant Colonel Greg Lucer was the winner of The Air Force Association Award. Cadet Lieutenant Colonel Ron Salazar won the American Defense Preparedness Association Award. Another award presented at the ball was the Best Dressed Cadet of the Year. Lieutenant Colonel Gerald A. McDowell and S.M.S. G.L. Gonzales sponsored the Military Ball.

Saga Staffers Meet Deadlines

5

The Saga Staff seemed to be shrinking as the year progressed. At the beginning of the year, twenty people signed up to take the class. Out of those twenty, only twelve actually showed up for class. At semester two more dropped due to graduation and graduation requirements. The only thing that saved the staff was most of the deadlines had already been sent in. "The deadlines were closer than last years. The room was a madhouse when the deadlines would get closer. Everyone had last minute things to change. It seemed like we would never meet the one after Christmas vacation. Everyone was screaming at each other to hurry and get off the typewriters so that they can do theirs. Boy did we need a vacation after that," quoted Paul A. Garcia, editor. The photographers were busy taking pictures and printing in the darkroom, while others were trying to write copy and figure out a good headline for the layout. As soon as they got the pictures for the layout, they would have to crop them and also label where they go on the page. "I hate identifying pictures," said Vanessa Abukusumo, as she had one with more than thirty people. As soon as the last deadline was over in February, everyone gave a sigh of relief, especially Mrs. Lopez, the sponsor. Finally the Twenty-Eighth Edition of the Valley High School Saga was completed.

1—Ellen Argyres is shocked as the photographer takes her picture. Ellen was busy cropping some pictures before she was interrupted. 2—Gary Comiskey is busy at the typewriter. He was typing out the basketball layout. 3—Casie Casaus shows us how to use the Proper Cropper. 4—John Hastings is finalizing his Vikettes layout. Before he can finalize it, he has to practice on a Making It. 5—Yvette Morales looks up a word in the dictionary to be sure it is correct. This way it will be easier on the proofreader.

I, again, would like to thank my staff for designing an appropriate cover and choosing a theme that will always be with us. I want to wish the underclassmen luck as they grow toward excellence, and Best of Luck to the Seniors as they grow in new experiences. I want to say "Thanks" to Mrs. Lopez and all the faculty in helping and cooperating with the staff. I wish them future success. I also want to congratulate Mrs. Lopez on her new baby.

Susie,
Remember all the fun
times we had at Dolt
that are too. I hope
you graduate from
as good as mine. Keep
your record
to take to
also. Good luck
be. We only have
3 more years &
you'll graduating. Just think
be the end of
& remember all the
wonderful
used having
summer & God Bless you.

Well,
you know
that we've been
friends for a long
time and I know
you know my
best friend
that we go together
like
and never forget
me summer
and pretty
I'd see
Don't lose that great personality
okay?
Your friend always,
Mari Vogel

P.S. Don't let anyone push
you around over the
summer. Keep in
touch.
